Entries will be prominently displayed in a campus gallery during the event. We appreciate every entry as they truly add to the artistic richness of the event.

For thirty-four years, the Peter Becker Community Flower Show has been an exciting and colorful spring event. The show is a local favorite. New this year at Maplewood Estates is a collection of vintage bicycles created into themed gardens that you can win by way of silent auction or raffle. And don't miss the Spring Marketplace also at Maplewood Estates. It showcases 25+ local crafters, culinary artisans, and home and garden vendors. There is no admission charge to the Flower Show or the Spring Marketplace, but we do ask for a free will offering to help us continue our mission of serving seniors.

We welcome you to invite your family and friends to see the show and your work on display.
